The Apache and the Comanche

In the \_\_\_\_\_, the Apache lived in Texas, New Mexico, Arizona, and parts of Mexico.

The Apache hunted animals with bows and arrows and they made tents with buffalo's fur.

There \_\_\_\_\_ any horses in America. Later, the Apache learned how to ride the new animals. It was \_\_\_\_\_ to hunt on horses!

The Comanche were the only people stronger \_\_\_\_\_ the Apache.

One of the \_\_\_\_\_ famous apache leaders was called Gerónimo. It was important for him \_\_\_\_\_ fight to protect his land from the Spanish people.

\_\_\_\_\_ days, a few Apache communities live in the south of the USA. The Comanche live in the city of Oklahoma.

50 years ago, there wasn't a Comanche museum in Oklahoma, but \_\_\_\_\_ is one now! School children go there to learn about Comanche history and art. It is important to remember that we \_\_\_\_\_ respect native Americans because they are the \_\_\_\_\_ guardians of the forests.
