## DRAWING A MAP TO THE POST OFFICE

X : Can you \_\_\_\_\_ me to the post office?

Y : Sure. Wait, I have a better idea. I'll draw you a \_\_\_\_\_ . How's that?

: (Drawing a map) This is our apartment. Turn left when you go out of the building. Walk \_\_\_\_\_ the street 'till you come to an intersection, \_\_\_\_\_ the intersection. Keep \_\_\_\_\_ for about 200 meters, then turn right. You'll come to a mosque on the left. Are you with me?

X : It's \_\_\_\_\_ so far.

Y : Pass the mosque, and at the \_\_\_\_\_, turn left. If you cross the street at the zebra \_\_\_\_\_, you'll see the Bank National in front of you. The post office is \_\_\_\_\_ the bank. Easy enough, don't you think so?

X : Your map is clear. So, I guess I won't have problem \_\_\_\_\_ the post office. Thanks.

Y : Anytime.
