C. Read the text and answer very carefully

Get up later, be a better student

Doctors recently tested two groups of kids.

Group A starts college at 8 a.m and Group B starts 8:30.

The doctors say:

Group A:

They have worse exam results, they think school is more boring and they are sick.

Group B:

They are happier than the other group, they have better results and they are healthier.

So 30 minutes more sleep makes better students

1.- Which group have better exam results

- a) Group A
- b) Group B
