An amazing holiday

One summer, I decided to travel to Peru. I flew to Lima and then travelled to a town near Machu Picchu to spend the night. The next day, I climbed the mountain to visit the monument. I was quite tired when I reached the top! Two minutes later, I saw a man who was at the same university as me. Suddenly, he came over to speak to me, and he was just as surprised as I was. After that, we decided to travel together. We had a great summer, and we carried on seeing each other when we got home. In fact, we got married two years later, and we now have a beautiful daughter called Beth.
