Vocabulary **Academic Words** *Use with Student Edition page 156.*

Read the paragraph below. Pay attention to the underlined Academic Words.

The World Kindness Movement was formed in 1997 by a group in Japan who wanted to spread the concept of kindness. They believe that having a positive attitude and doing kind things for others can help improve a community. Acts of kindness can be as simple as thanking the people we rely on every day, such as firefighters and police officers. One may comment that being nice isn't so hard, and the World Kindness Movement hopes that everyone sees it that way.
