MY HEART WILL GO ON

By celine Dion

Every night, in my ……,
I see you, I feel you.
That is how …… know you go on.
Far, across the ……

And spaces between us,
…… have come to show you go on.

Near, …… wherever you are,
I believe that the heart does go on.
Once more, you opened the …… .
And you're here in my heart.
And …… heart will go on and on.

Love can touch us one …… ,
And last for a lifetime.
And never let go till we're gone.
Love was when I loved you,
One true time to …… on to.
In my life, we'll always go on.

Near, …… , wherever you are,
I believe that the heart does go on.
Once more, you opened the …… .
And you're here in …… heart.
And …… heart will go on and on.

You're here, there's nothing I …… .
And I know that my heart will go on.
We'll stay, forever this way.
You are …… in my heart.
And my heart will go on and on.
