get changed get up go to bed have breakfast have dinner
have lunch train travel have a shower

I ⁽¹⁾ get up at about seven o'clock and I ⁽²⁾ have breakfast. Then I ⁽³⁾ have a shower. It's usually some cereal and fruit. Diet is very important. After that, I ⁽⁴⁾ travel to the gym. I usually cycle there.

I'm always at the gym at about nine o'clock. At the gym, I ⁽⁵⁾ have a shower. The team colours are purple and white, and red is my favourite colour! Then, I ⁽⁶⁾ train with the team. The training session is usually about three hours, then we ⁽⁷⁾ have lunch in the gym restaurant. We eat a lot of pasta for energy. In the afternoon, we often play a game with friends of the team. To relax after the gym I often listen to music. I ⁽⁸⁾ have dinner at about eight o'clock - my favourite food is fish, with a lot of vegetables. I usually ⁽⁹⁾ get changed at about half past ten. I sometimes read a book in bed.
