### School breakfast clubs

Mornings are usually difficult for school children. Children often haven't got time to eat breakfast. They arrive at school hungry and have problems during lessons.

In some schools there are breakfast clubs. Students can have a quick breakfast there. They can have cereal with milk or yoghurt, sandwiches and toast with jam or ham, and some fruit (usually apples or bananas). They drink tea or mineral water.

After breakfast in the club, the children usually have some time to play and have a chat with their friends before they start their lessons.

Breakfast at school helps children start a day with a smile. They are also never late for classes – they are already at school.
