PART III: WRITING (10pts)

Think about a job that you want to do in the future. Write about your dream job. (100 - 120 words)

You have to write about:

-what it is

- what the job responsibilities are

-what your dream job requires you to be (Example: A tailor has to be careful and good with fabric.)

-why you want to do this job (Example: I want to become a teacher so I can help children in poor areas of my country.)

-what you have to do from now to get this job (Example: I want to become a scientist so from now on, I have to study Chemistry and Physics)
