bingo! tick what's true for you

I'm always up for a game.	I can't stand when I'm interrupted during the game	Most of my friends are also fans of video games.
I'd rather stay at home and play than go out.	FREE!!	I get excited about shopping for gamer stuff.
I'd prefer to play PS instead of a boarding game.	I'm keen on combat games.	I prefer to eat at my desk in my own room.

LIVEWORKSHEETS

get ready to have a dialog, here is the situation:

your best friend, who moved to Poland a year ago, is coming home for a week. you give him a call to plan a perfect day together.

What can you possibly do? (e.g. go bowling, have a picnic, etc.)

Where can you eat? (e.g. Chinese restaurant, Dodo pizza, etc.) Don't forget about the cost.

Where and when are you going to meet? (e.g. you want to pick him up at the airport)
