What is a good classmate?

It is important to have good citizens, but is it important to have good classmates?

Good classmates are respectful and kind. They help other students; they take care of the school and they help teachers too. We can say that a good classmate is a good person.

There are some actions that good classmates never do. They don't disrespect others; they don't brag about their grades and they never bully their classmates. Good classmates are always kind to others.

Good classmates are also good citizens. We need more of them.
