

STRANGER THINGS

Jim Hopper has been murdered. You have to find out who the murderer is, the murder weapon and the reason why he was killed.

To do so, first have a look at the crime scene. Take notes of what you can see; they may be clues to solve the case.

Then, read the alibis of the different characters. Read them slowly, pay attention and take notes of what they were doing when Hopper was killed. It will help you to find out the murderer, the reason why he was killed and the weapon.

Here you have the first clue: There were no signs of violence in the body.

1. Read the text carefully.
2. Look up the underlined words and expressions using Google or wordreference.
