

## AN EMAIL ABOUT HOW TO TAKE CARE OF AN ANIMAL

Dear Tom,

My father brought me ① \_\_\_\_\_. I'm responsible for taking care of it. I named him Bolt. A car ran over his mother and he was taken to an animal rescue centre. I was ② \_\_\_\_\_.

I'm learning a lot of things about ③ \_\_\_\_\_. If you want to take care of animals, you should set up ④ \_\_\_\_\_. You should also bath them at least twice a week. What's more, you should take your puppy ⑤ \_\_\_\_\_. You should feed your puppy ⑥ \_\_\_\_\_. I should walk Bolt once a week at least as exercises ⑦ \_\_\_\_\_.

It is important to take care of Bolt. It makes me feel more responsible. I am proud to help him. ⑧ \_\_\_\_\_, I am sure you will love it.

Best wishes
