

# OLD HABITS

Every .....you come around, you know I can't .....no  
Every .....the Sun goes down, I let you take control  
I can feel the paradise .....my world implodes  
And tonight had something .....

My bad habits lead to late ....., endin' alone  
Conversations with a stranger I barely .....

Swearin' this will be the last but it .....won't  
I got nothin' left to lose, or ....., or do

My bad habits lead to wide eyes stare into space  
And I know I'll lose .....of the things that I say  
Yeah, I .....lookin' for a way out, now I can't escape  
Nothin' happens after ....., it's true, it's true  
My bad habits lead to .....

Ooh-oooh, ooh-oooh  
My bad habits lead to you

Every pure intention ends .....the good times start  
Fallin' over everything to reach the first time's spark  
Started .....neon lights and then it all got dark  
I only know .....to go too far

My bad habits lead to late ....., endin' alone  
Conversations with a stranger I barely .....

Swearin' this will be the last but it .....won't  
I got nothin' left to lose, or ....., or do

My bad habits lead to wide eyes stare into space  
And I know I'll lose .....of the things that I say  
Yeah, I .....lookin' for a way out, now I can't escape  
Nothin' happens after ....., it's true, it's true  
My bad habits lead to .....

We took the long .....'round  
And burned 'til the fun ran out, now

My **bad habits** lead to late ....., endin' alone  
Conversations with a stranger I barely .....

Swearin' this will be the last but it .....won't  
I got nothin' left to lose, or ....., or do

My bad habits lead to wide eyes stare into space  
And I know I'll lose .....of the things that I say  
Yeah, I .....lookin' for a way out, now I can't escape  
Nothin' happens after ....., it's true, it's true  
My bad habits lead to .....
