1) Preberi naslednje besedilo in odgovori na vprašanja kratko.

BTC Shopping Centre

BTC Shopping Centre is an interesting place to shop in with different shops and departments like ladies' wear, men's wear, babies' wear and young fashion. Its opening hours are from 9 am to 9 pm every day. There is an indoor and outdoor market with fruit and vegetable stalls.

You can buy fresh shrimps, shells and other sea-food at the fishmonger's. People also sell home-made products like cheese and cream. The butcher's shop has different kinds of meat like pork, beef, chicken, turkey, lamb and so on.

Whenever I go to the BTC Shopping Centre I often stop at the confectioner's where I always buy a piece of chocolate cake before I start my shopping expedition.
