

Extra practice: Unit 4

1. Write true sentences about your neighbourhood. Use *There is* / *There are* and *a/an* or *any*, if necessary.

a. hospital

There aren't any hospitals near my house

b. supermarket

c. shopping mall

d. park

e. museum

f. school

g. shops

h. sports centre

2. A / AN or ANY? Complete the sentences.

a. There is _____ train station behind the town hall.

b. There aren't _____ cinemas.

c. There isn't _____ university in the centre of my city.

d. There is _____ underground station in Flores.

3. Complete the rules:

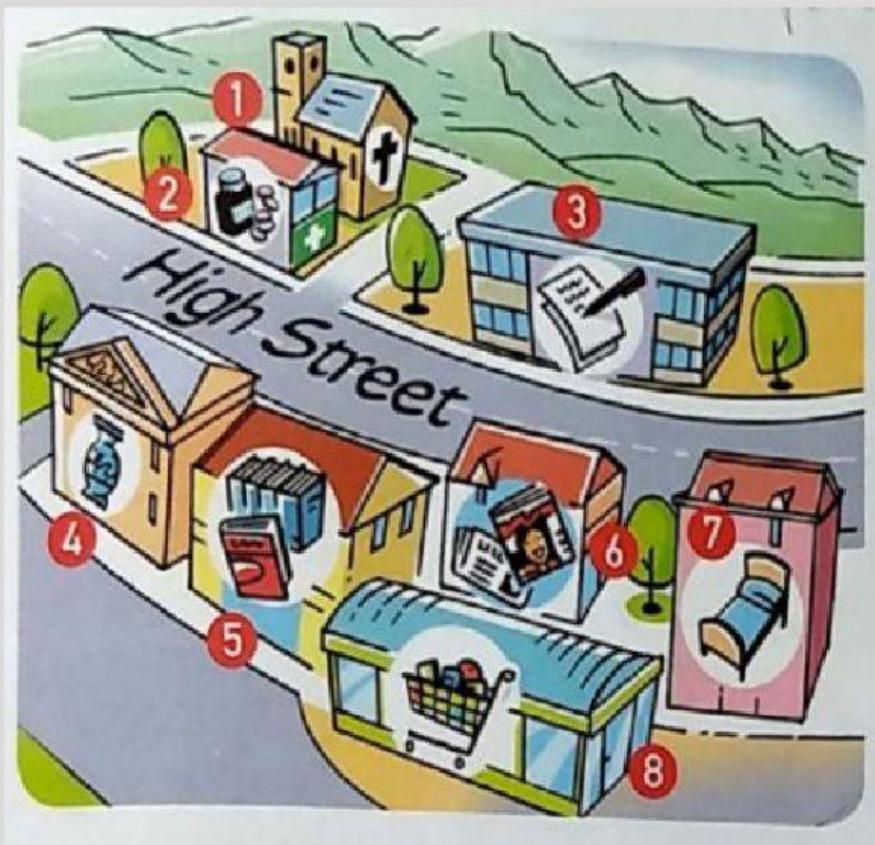

- We use **A - AN / ANY** to say that there is only one thing, in affirmative and negative sentences.

- We use **A / AN** with words starting with consonants – eg. _____ train station.

- We use **A / AN** with words starting with vowels – eg. _____ underground station, _____ apple.

- We use **A - AN / ANY** only in negatives.

4) Look at the map and choose the correct option.

- a. The museum is **opposite** / **next to** the library.
- b. There is a church **next to** / **behind** the chemist.
- c. There's a hotel next to the **supermarket** / **newsagent**.
- d. The school is **on** / **in front of** High Street.
