**LEVEL 3. READING**

Unit – 10. Reading B. Use the words in the boxes to complete the sentences.

analyze	applications	empower	enrich	imagine
isolated	practical	prosperity	remote	transformed

The discovery of oil is a very important event in the history of Oman. Before that Oman was a poor, backward country without any modern infrastructure like roads, airports, electricity or telephones. It was 1. \_\_\_\_\_ from most other countries and very few visitors arrived here. Oil brought 2. \_\_\_\_\_ to all people in the country. The money from oil 3. \_\_\_\_\_ Oman's economy and society. It helped Oman to become a developed and modern nation. It 4. \_\_\_\_\_ Omani people's lives by helping to provide good standard of living, education and healthcare. Today there are schools, hospitals and good communication networks even in the 5. \_\_\_\_\_ regions and villages in Oman.
