Complete the passage with the terms in the box.

money	knights	
land	army	tenants-in-chief
renting	court	

The feudal system was similar to the modern idea of _____ houses. The king gave large estates to his _____. These people did not pay any _____ for their lands, but instead their "rent" was to provide the king with a number of knights who could serve in his _____. The _____ were able to provide _____ because they had the same type of arrangement with the latter. The knights got _____ from the tenants-in-chief in return for giving service for a number of days.
