Question 153 - 157 refer to following paragraph:

Victoria Conference Centre

SHARE IDEAS, BE INSPIRED

In the heart of downtown Victoria, British Columbia, by the spectacular Inner Harbour is the Victoria Conference Centre; a bright modern and technically advanced meeting place that is most inviting

The average size of the conferences we host is 450-1,000 delegates. However, we have hosted groups as large as 2,500 delegates. Since conferences have distinct design and function space requirements, defining a "maximum" size is truly dependent on the event. We work to make the space fit your conference program. We are creative thinkers and enjoy working closely with clients to fashion the perfect venue.

Dear Mr Fisher,

Thank you for your enquiry about our company, *Tourism Victoria*. I am delighted to hear you have chosen our city to host your conference. Let me tell you a little about what our company can offer you.

We can plan special events, entertainment and excursions such as eco-adventures, symphony concerts and tours, for your delegates. We'll be happy to provide you with information on how to arrange pre- and post-event activities to suit your needs.

Tourism Victoria can also assist in promoting your organization's conference to stimulate delegate attendance with brochures and lure pieces. We'll act as liaison between our 900-plus member businesses and your planning committee.
