Unit 12 ROBOTS

C. READING

IX Read the passage and write True (T) or False (F).

There are a lot of benefits to have a robot in your house. Firstly, robots are useful. They can help us save a lot of time and energy. They help us do our housework such as cooking, doing laundry, feeding the babies and doing gardening as well. Besides, robots can help people protect their house by sending strange noise and signals for help. They never get bored, tired or complain anything about the hardship when they do too many things. However, the price for buying a robot is so high. It is so expensive that only rich families can buy it.
