All I Want for Christmas Is You – Mariah Carey

Starter A/B   *By: Rodrigo*

I don't want a lot **to/for** Christmas
There is just one thing I **need/want**
I don't care about the **presents/gifts**
Underneath the **Christmas/Thanksgiving** tree

I just **want/need** you for my own
More than you **could/can** ever know
Make my wish come **true/real**
All I want **for/to** Christmas
Is **you/it**, you, yeah

I don't want a lot **for/to** Christmas
There is just one thing I **want/need**
And I don't care about the **gifts/presents**
Underneath the **Thanksgiving/Christmas** tree

I don't need to hang **my/your** stocking
There upon the **fireplace/table**
Santa Claus won't make me **cheerful/happy**
With a toy on Christmas **Night/Day**

I just want you for **her/my** own
More than you could **always/ever** know
Make my wish come **true/real**
All I want **to/for** Christmas is you
You/Us, baby

Oh, I won't ask for much **that/this** Christmas
I won't even wish for snow
And I'm just gonna keep on **waiting/playing**
Underneath the **tree/mistletoe**

I won't make a list and **send/give** it
To the North Pole for Saint Nick
I won't even stay **awake/sleeping** to
Hear those magic reindeer click

'Cause I just want you here **day/tonight**
Holding on to me so **fast/tight**
What more can I **do/stay**?
Baby, all I want for Christmas is **that/you**
You, baby

Oh, all the lights are **shining/colorful**
So brightly **everyday/everywhere**
And the sound of children's
Laughter fills the **air/space**

And everyone is **dancing/singing**
I hear those sleigh bells **ringing/falling**
Santa, won't you bring me the one I really need?
Won't you please bring my baby to me?

Oh, I don't want a lot **for/to** Christmas
This is all I'm asking for
I just want to **see/need** my baby
Standing right outside my **door/window**

Oh, I just want you for **my/your** own
More than you could **never/ever** know
Make my wish come **true/real**
Baby, all I want **for/to** Christmas is
You, you, baby

All I **want/need** for Christmas is **it/you**, baby (x4)
