READING AND WRITING

A. READ THE FOLLOWING TEXT.

Last summer, Joel and Sara travelled to England for two weeks. They travelled in August and stayed in a small hotel with other students in Brighton, the South of England. It was really wonderful because they talked to a lot of new students and learned many new things. In the morning, they studied a little. They asked the teacher to speak slowly and answered her questions. In the afternoon, they visited different places like parks, museums or played different sports such as football or basketball. It was so much fun. In the evening, they were tired, so they watched TV or played computer games.

The best days were Saturday and Sunday because they travelled to London. The city is very big and they visited a lot of famous places. They liked everything in the city but their favorite thing was the food.
