

## Coding

- 1 Take Cody to Chicky Chick but beware of the **angry monster**. Write the numbers of the boxes Cody goes through and say.

|                      |                      |                      |                      |                      |                      |                      |                      |
|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|
| <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> |
|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|

I'm hungry!

**3** Take Lizzy to Chicky Chick with a cake for the crew but beware of the **hungry dragon**. Write the numbers of the boxes Lizzy goes through and say.
