My name is Maria Noel. I am 42 years old....., and I am Argentinian. My birthday is the 21st of December..... I am an English teacher at the Enrique de Vedia School..... I was born in San Fernando....., Buenos Aires and I live in Villa Urquiza, CABA, in Blanco Encalada Street, postal code 1431.

I live there with my husband, whose name is Dari, and our anniversary is on 18 December. We have two children, Franco and Sun.

I studied law at the UBA..... And became a lawyer in 2004. I'd also studied to be a law teacher at the UTN.

I like to read all kinds of genres, one of my favourite books is called "The Fountainhead" by Ayn Rand.....

When I have free time, I also like to watch movies, one of my favourite movies is "Gone with the Wind"....., especially when it says "After all, tomorrow is another day!" I also like to watch "Friends"..... on TV.

On weekends, my family and I go to the parks....., we like to ride our bikes..... When we are tired, we don't go out; we just watch movies on TV.....

I think everyone should enjoy their life like we do, as my grandmother used to say: "Life is too short to be sad".
