

"Let It Snow! Let It Snow! Let It Snow!"

Oh, the outside is frightful
But the is so delightful
And since we've no place to
Let it snow, let it snow, let it snow

Man, it doesn't show of stopping
And I've brought me some corn for popping
The are turned way down low
Let it snow, let it snow

When we finally kiss
How I'll hate going out in the storm
But if you really hold me tight
All the way I'll be warm

And the fire is dying
And, my dear, we're still goodbying
But as long as you love me so
Let it snow, let it snow and snow

When we finally kiss good-night
How I'll hate going out in the
But if you really grab me tight
All the way home I'll be warm

Oh, the fire is slowly dying
And, my dear, we're still goodbying
But as long as you me so
Let it snow, let it snow, let it snow

Weather	good-night
Fire	love
Go	slowly
Signs	storm
home	Lights
