My aunt Sandy and my lovely cousins Lore and Viany

Now I will tell you about my aunt Sandy, she is very strong and brave, she is a kick boxing sub world champion, she has two daughters Lorenita who is the oldest and Viany who is the youngest.

I love to spend time with them, my aunt is very funny and we play fights, I also like to watch plays, go to the concerts, go to the movies or to the park.

Lorenita and Vianey tell me that I am their sweetheart, they always hug and kiss me and I like to feel loved by my aunt and my cousins.

Ivan is my cousin Lore's husband he is very funny I like to play video games with him.

I love them very much
