1.Escriba los nombres de los límites geográficos de Honduras.

A map of Honduras and its neighboring countries: Guatemala to the west, El Salvador to the southwest, Nicaragua to the east, and Costa Rica and Panama to the south. The map also shows the Caribbean Sea (Océano Atlántico) to the north and the Pacific Ocean (Océano Pacífico) to the south. A compass rose is located above the map, indicating North (N), South (S), East (E), and West (O).

Al Norte: _____

Al Sur: _____

Al Este: _____

Al Oeste: _____
