SUMMER NIGHTS

Summer loving (have) me a blast
 Summer loving (happen) so fast
 I (meet) a girl crazy for me
 Met a boy cute as can be
 Summer days drifting away, to, oh, oh, the summer nights

She (swim) by me, she got a cramp
 He (run) by me, got my suit damp
 I (save) her life, she nearly (drown)
 He (show) off, splashing around
 Summer sun, something's (begin), but, oh, oh, the summer nights

(Take) her bowling in the arcade
 We (go) strolling, (drink) lemonade
 We (make) out under the dock
 We (stay) out 'till ten o'clock
 Summer fling, don't mean a thing, but, oh, oh, the summer nights

He (get) friendly, holding my hand
 She (get) friendly down in the sand
 He (be) sweet, just turned eighteen
 Well, she (be) good, you know what I mean
 Summer heat, boy and girl meet, but, oh, oh, the summer nights

It (turn) colder, that's where it ends
 So I (tell) her we'd still be friends
 Then we (make) our true love vow
 Wonder what she's doing now
 Summer dreams ripped at the seams, but, oh, those summer nights
