Checking Fluency and Comprehension

A. Answer the questions. Do not look back at the passage.

1. Why do you think this article was written?
 - a. To try to get people to buy trips into space.
 - b. To tell people about the challenges of being a space tourist.
2. What is described as one of the greatest moments in world history?
 - a. When Neil Armstrong walked on the moon.
 - b. When companies began to sell space tours.
3. What can people do on a space tour?
 - a. Operate a spacecraft and take an examination.
 - b. Travel around the Earth and stay at a space station.
4. Why is it impossible to lie in bed in space?
 - a. Because everything in space is weightless.
 - b. Because people get terrible headaches.
5. Why will space travelers need to exercise every day?
 - a. Because they will take space walks.
 - b. Because their bones and muscles will become weak.
