

Correct the underlined mistakes.

Dear Mark,

I <sup>1</sup> hope you are doing quite well. Last week, I am <sup>2</sup> in Tunisia **and** I attended an exciting event. In this email, I am going tell <sup>3</sup> you about it.

The International Festival of the Sahara is held every year in Douz, Tunisia for three days starting for <sup>4</sup> December 20<sup>th</sup>. Local people **as well as** tourists from neighbouring countries, the Arabian Gulf, **and** Europe attend this unike <sup>5</sup> event **because** they want to enjoy the exciting nomadic live <sup>6</sup> at the heart of the Desert.

There are plenty of activities that I have personally enjoyed. **First of all**, there are diferent <sup>7</sup> events involving desert animals. **For example**, you can see the camel marathon, the horse race **and both** the Saluki dog, **and** the falcon hunt. It is the one <sup>8</sup> time that I see an Arabian horse, **but** I fell in love with it **because** it is beautiful, strong, and quick. **Second**, you can attend a Bedouin marriage **and** pamper all you're <sup>9</sup> senses. Your eyes will love the decoration of tents, the colourful costumes, **and** the beautifull <sup>10</sup> henna patterns on women's hands. Your mouth will water with the delicious local food and drinks. Your ears will enjoy the tradition <sup>11</sup> music created by the drums and bagpipes. Your nose will **also** breathe the fresh air and smell the fragrance of incense. **Third**, there is <sup>12</sup> different competitions throughout the day. **For instance**, in the camel beauty contest, people vote for the beautiful she-camel. During the poetry contest, Bedouin poets recite there <sup>13</sup> poems **and** the audience decides which one is the good <sup>14</sup>. **In addition**, people from different tribes compete in the jar dance **and** the winner is the person how <sup>15</sup> dances with the most jars on their heads. **Last but not least**, I personally liked experiencing the true Bedouin life for my self <sup>16</sup>. This includes sleeping in a tent, feeding a camel, riding a horse, wearing a turban **and** touching a falcon.

We felt really satisfied and energised during our visit to tunisia <sup>17</sup> last week, **so** my family and I are planning to attend this festival again next year <sup>18</sup>. We hope you come with we <sup>19</sup> **because** you will never regret it.

Love <sup>20</sup>  
Nizar
