### **Am-Is- Are**

Watch the video, then complete the activity below.

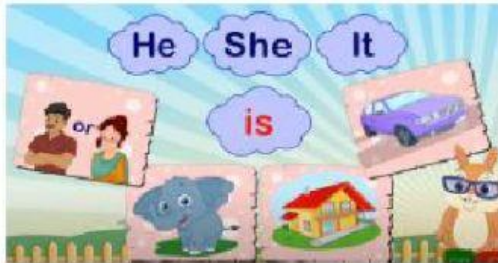

<https://youtu.be/xl2kZhPgyOw>

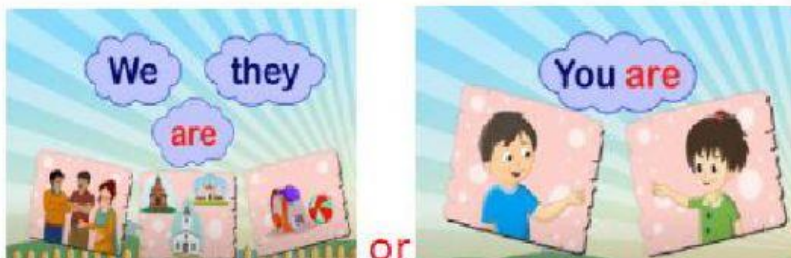

We use **am is are** with a pronoun. For example when we talk about one person we would say:

If we are talking about someone else,  
place, animal or thing we would say:

If we are talking to someone directly to a person,  
or about a place, animal or thing, we would say:

Paste the correct word from the word bank to  
complete the sentences below.

Word Bank
