Visit next week?

Hi Patty,

I'm sorry I didn't visit you last night. Yesterday morning I went to the gym. After that I cleaned my house and planted flowers. In the afternoon I sat down and watched TV. Then I got a headache. I drank some water and took some Tylenol, but it didn't stop. I went to bed. I was so tired that I didn't brush my teeth. Can I visit you next week?

Your friend,
Sam
