

3 Look and read to answer the questions.

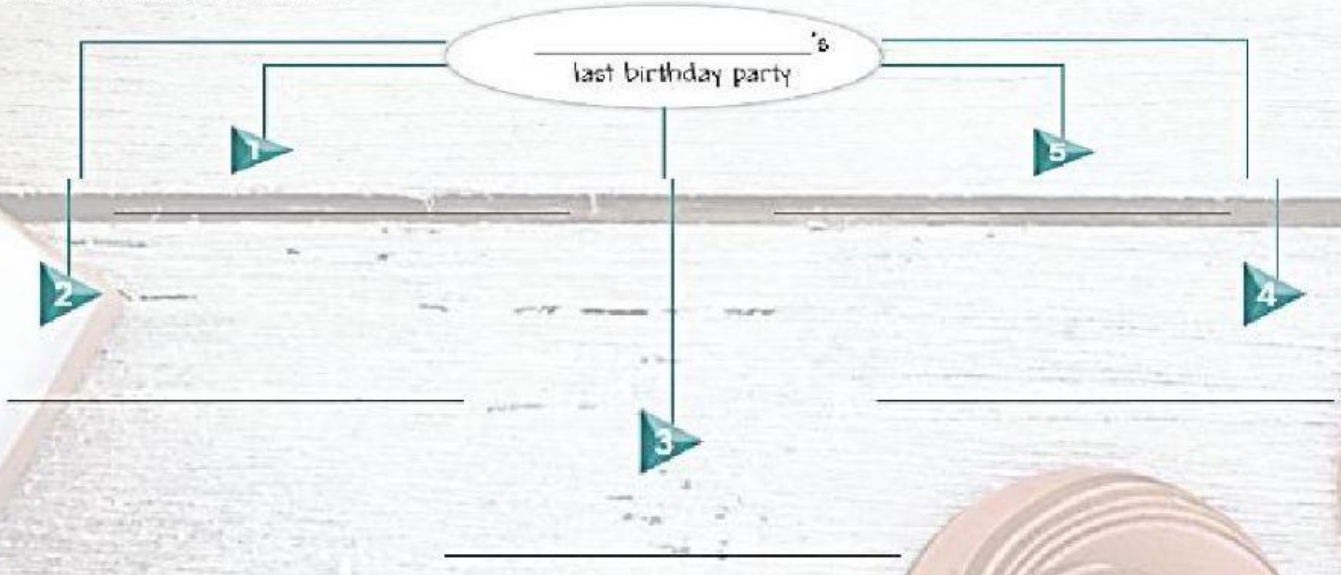

Lanny's party was last month. Now she's 11 years old. Lanny invited her friend Eddy. They celebrated with her parents at home. They ate sandwiches and potato chips. They drank orange juice. Lanny's mom baked her favorite cake: chocolate and strawberry. Lanny got some presents: comic books, video games, a T-shirt, and a board game. She liked her party a lot. Everybody had a great time.

1. What did they celebrate?
2. Where were they?
3. How many children were there?
4. Were they happy?
5. Was there any food?
6. Were there any presents?

4 Ask a friend and complete the mind map.

1. when / last birthday party?
2. invite / friends?
3. celebrate / at home?
4. get / a lot of presents?
5. eat / cake?

Use your mind map to describe your friend's birthday party.
