

House by Elton John

This is my _____

_____ is where I live

That is the winter

_____ are the trees

I can hear them breathe

This is my bed

_____ is where I sleep

That was the dark

_____ are my dreams

They belong to me

This is my floor

_____ is where I lie

This is a square room

_____ was a bright light

These are not my eyes

What is my soul

Where is my tired heart

_____ is the question

Where is the answer

Inside my _____

And I sit by the window

And I wish I was rain

I want to fall from the sky

I want to get wet all over again

'Cause this _____ house

It belongs to me

Inside my _____

It's all that's left

This is my house

_____ is my bed

This is where I sleep

_____ was the dark

Those are my dreams

They belong to me

_____ is my house
