

MIRANDA BROWN

My name is Miranda. I'm twelve years old and my favourite day of the year is my birthday. On 15th February I will turn thirteen. I was born in France, but I live in Spain. I study in Santa Irene school in 6th grade. My favourite subject is Music, and I hate Maths.

I live with my mum, my brother and my grandma. My brother is nine years old, his name is James. He goes to school with me, he is in 4th grade. My mum is a doctor, and my grandma is a nurse. But she doesn't work any more.

I love playing the violin, but my brother doesn't like it. He prefers the piano. My favourite band is One Direction. I listen them everyday in my bedroom.

When I was a child, I liked playing basketball, but now I prefer swimming. I train twice a week at school.
