V. Read the passage and answer the question.

This is Julia. She is my classmate. She is ten years old. She is a pupil. She lives in a big city. She is in Class 5A at Oxford Primary School. She gets up at 6.30 every morning and always has big breakfast before she goes to school. After school, she usually does her homework and helps her mum with housework. On Saturdays, she doesn't have class. She goes to the library and looks for some information through the Internet. She goes to the library twice a week. On Sundays, she goes out with her family.

1. How old is Julia?

.....

2. What is the name of her school?

.....

3. What does she usually do after school?

.....

4. How often does she go to the library?

.....
