

“Nothing else matters”
Metallica (Heavy metal. 1991)

Audició: *"Nothing else matters"*.

So close, no matter how far
 Couldn't be much more from the heart
 Forever trusting who we are
 And nothing else matters

Never opened myself this way
Life is ours, we live it our way
All these words, I don't just say
And nothing else matters

Trust I seek and I find in you
Every day for us something new
Open mind for a different view
And nothing else matters

Never cared for what they do
Never cared for what they know
But I know

So close, no matter how far
It couldn't be much more from the heart
Forever trusting who we are
And nothing else matters

Never cared for what they do
Never cared for what they know
But I know

I never opened myself this way
Life is ours, we live it our way
All these words, I don't just say
And nothing else matters

Trust I seek and I find in you
Every day for us something new
Open mind for a different view
And nothing else matters

Never cared for what they say
Never cared for games they play
Never cared for what they do
Never cared for what they know
And I know, yeah, yeah

So close, no matter how far
 Couldn't be much more from the heart
 Forever trusting who we are
 No, nothing else matters
