3.- Match the beginning of the phrases with their correct ending.

And maybe we got lost in translation	till you tore it all up
But maybe this thing was a masterpiece	I was there I remember it all too well
Running scared,	just to break me like a promise
And you call me up again	the name of being honest
So casually cruel in	maybe I asked for too much
I'm a crumpled up piece of paper lying here	Cause I remember it all, all, all...too well

Now you mail back my things and I **(walked / walk)** home alone

But you keep my old scarf from that very first week

Cause it **(reminds / remind)** you of innocence

And it smells like me, you can't get rid of it

Cause you remember it all too well, yeah....
