

Name: _____

Report the following imperatives, statements and questions.

1. "Are you sure there is no more food in the fridge?"

They asked me

2. "Did your professor manage to teach online?"

She asked me

3. "How much time do you need to think about it?"

She asked me

4. "Good friends you make are the family you choose."

My uncle told me that

5. "Don't listen to all the things they tell you and make your own decisions!"

He recommended me

6. "Does this color look good?"

She asked me

7. "Our parents have raised five kids and it just turned out good."

They said that

8. "Be the person you feel good with!"

My mom recommended me

9. "We saw many people having fun that night."

She said that

10. "How many people you think I can invite to my birthday party?"

My sister asked me

11. "Did you pass all your classes this semester?"

My mom asked me

12. "How many times have you come to this place?"

They asked me

13. "Think twice when you have to make big decisions."

She asked me

14. "Who do you think came here last night?"

He wondered

15. "Give greetings to your parents and do the right thing."

They told me
