Choose: Email my answers to my teacher

Then fill in the spaces below:

Enter your full name:

Group/level:

School subject:

Enter your teacher's email or key code:

Send

When you are done: Press SEND

Today we are going to make Vegetable Soup. For this recipe we need these vegetables.

Read the names of the vegetables in the chart on page 2.

Match the pictures with the words in each space. Use your computer mouse or finger to do the moving.

Can you match the picture with the vegetables we need for our soup?

You will need to move the picture to the right spot. We will practice this in Live Work Sheets before we do the assessment.

Onions	Celery
Carrots	Garlic
Potatoes	Tomatoes
Butternut squash
