Reading

My name is Ron. I'm 13 years old and my birthday is on January 14th. I've got a big family, my parents, two brothers and a sister. I also have lots of cousins. I really love sports and quidditch is my favorite!

Yesterday was my birthday. What a fun day! I jumped out of bed because I was excited. Mum had cooked for me a special pancake breakfast. When I was little, I didn't like pancakes ,but I love them now! Mum let me have lots of sugar on my pancakes because it was a special day.

After breakfast, my parents gave me a birthday present. It was a new magic wand! I had lots of fun practicing my magic spells with it. I can't wait to take it to school!

In the afternoon, I had a huge birthday party. My whole class came, and three of my cousins! They brought so many gifts. I got a new broom, a scarf and some new books. We played football in my garden.

My mum baked an amazing chocolate cake for me. It was so delicious! I was quite sad when the party ended, I didn't want my friends to go home.

What age is Ron?

How many people are in Ron's family?

What dessert did mum bake for the party?

What gift did Ron's parents give him?

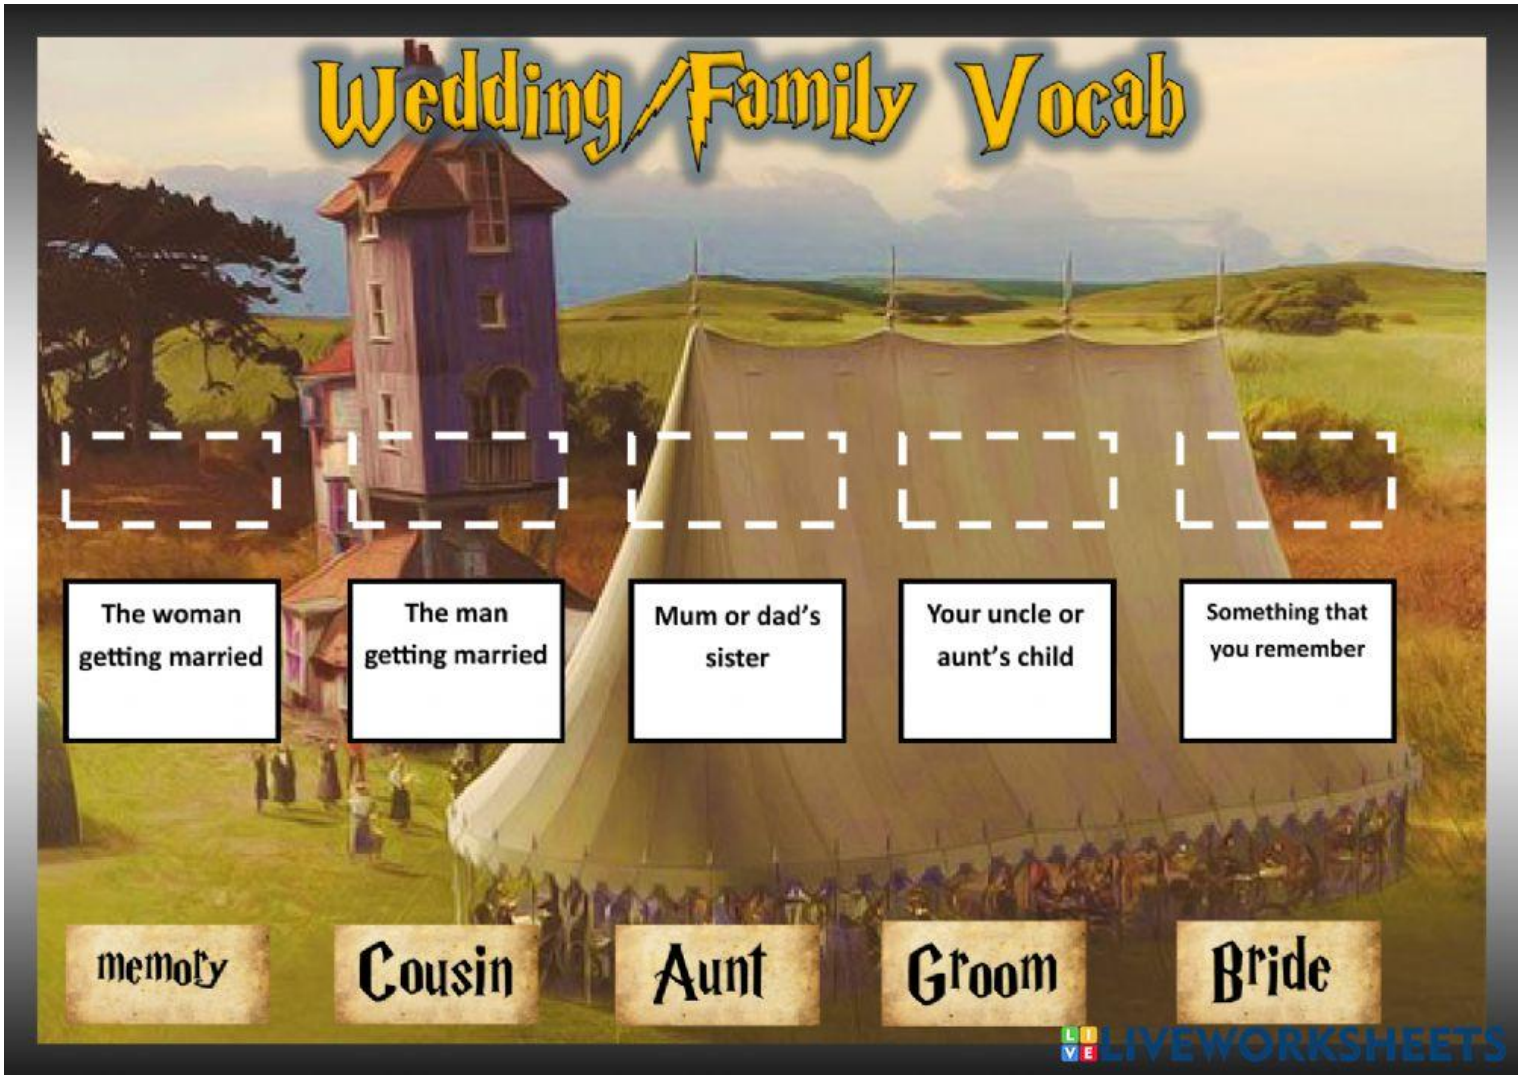

What game did they play?
