My free time

On weekdays, I don't have much free time. When I get home from school, I usually do my homework, watch some TV or read a book. My parents bought me a new guitar for my birthday so I play that a lot too.

At the weekend, I usually relax with my friends, John and Thomas. We really like playing music together. Thomas plays the keyboard and John plays the drums(trống). John has a set of drums in his bedroom, so we usually practise at his house. John has also written some songs, so we are practising them at the moment. My sister sometimes sings with us and we are hoping to play some concerts one day!

In the holidays, I sometimes go on day trips with my family. I am really interested in science. That's why we often go to the Science Museum. We usually go to the beach in August. We always have a great time, but the best thing is lying on the sand and listening to music on my iPod.

lie(v) – lying : nằm

tell a lie : nói dối
