

Like It's Christmas

The [red] on the ground
The love in the air
The [red] bells are ringing
This is what it's all about

The fire is warm
The [red] are singing
And I don't wanna miss a single thing
Don't wanna put end to all this cheer
But as long as you're with me
It's always the time of the [red]

You make every day feel like it's [red]
Never wanna stop
Feelin' like the first thing on your [red]
Right up at the top
I can't deny what I'm feelin' inside
Nothin' fake about the way you bring me to life
You make every day feel like it's Christmas
Every day that I'm with you [red]

Look at the [red]
Twinkling bright
Twenty four seven [red]
Every inch of Central Park [red]
Is covered in [red]

This could be heaven
And I don't wanna miss a single thing
Don't wanna put end to all this cheer
But as long as you're with me
It's always the time of the year, yeah (woo)
