

## Lesson 11

**Directions:** On a clean piece of paper, please complete the writing task you began in class. Ask a classmate to read your work and give a couple of suggestions. Revise your paragraph and type it here on this handout. Don't forget to click "Finish" at the bottom of the page to save and submit your work.

### Reflection Questions:

- What method did you use to organize your supporting sentences?
- What function does your conclusion sentence perform for your paragraph?
- What are 3 things you have learned in writing class this semester (be specific)?
