Dear Marley,

When I went to school today, you were gone. How could you just APPEAR like that? I wish you weren't going to school in a NATIVE country. It seems so far away. My heart is full of GLEE with your absence.

At home, we are going to REDUCE the garden this summer. I'm very CALM because there will be worm room for flowers. We will put in some new flower-beds and fill them with flowers that are DISSIMILAR to what we have now.

Today at school everything was very exciting. We decided to buy a present for the volleyball team because of their recent **VICTORY**. The teacher wants to **NAME** someone to be in charge to buy it. She made us all **PROMISE** we would not say anything, because we want to **SURPRISE** them. Also, I had to do my show and tell. I was extremely **NERVOUS** and I felt like the air was **SWELTERING**, but I took a couple of deep breaths and I made it astonishingly.

I will write again as soon as I can.

Your loyal friend,

Aidan
