Hi! My name is Lan. I live in Thanh Hoa city. There are four people in my family: my father, my mother, my brother and me. My father is a doctor. He works in a big hospital. My mother is young and pretty. She is a teacher. She teaches in a primary school. My father is taller than my mother. My brother is a student in school. He likes watching film at the weekend. I'm younger than my brother but he is stronger than me.
