1. Completa les sèries sumant o restant 1.

A diagram of a linked list with 10 nodes. The first node contains the value '100' and the last node contains the value '109'. Blue arrows connect each node to the next one in the sequence, illustrating the flow of the list.

A horizontal number line with 10 boxes. The first box contains the number 109, the second box contains 108, and the last box contains 100. Above the line, there are 9 blue curved arrows pointing from left to right, each spanning one box. The arrows indicate a sequence of jumps of 1 unit from 109 down to 100.

2. Escriu el nombre anterior i posterior.

3. Completa cada línia:

105	$1\text{ C} + 5\text{ U}$	Cent cinc
-----	---------------------------	-----------

108	$\text{C} + \text{U}$	
-----	-----------------------	--

	$1\text{ C} + 6\text{ U}$	
--	---------------------------	--
