Exercise 3. Choose the correct preposition in the bracket and then practice

IELTS Speaking Part 1

1. Do you have a lot of friends?

To be completely honest (with/for) you, I have always been an introvert. Therefore, I don't have so many friends. I would rather have one close friend than many fair-weather friends.

2. How often do you see your friends?

I would say quite often. As we enjoy each other's company very much, it is always a joy (to/and) see my besties.

3. Is there anything special about your best friend?

Of course. (To/With) me, she is the most kind-hearted person I have ever met. She is a reliable shoulder to cry on, who never leaves me when I hit the rock bottom.

Sometimes I feel blessed to have such a friend (beside/next to) me.

Exercise 4. Classify words into the right column

they	thank	three	although	birthday
with	brother	bath	weather	everything
