The most beautiful place I've ever been is Thailand. I went there last year. The beaches are wonderful, and the food is really good. That was the best vacation I've ever had. But the most exciting thing I've ever done is visit Africa. I went there three years ago and saw lots of animals. It was fantastic, but the hottest place I've ever been! I've never been to South America, but I would really love to visit Machu Picchu in Peru.
