UNIT 5 – READING WORKSHEET

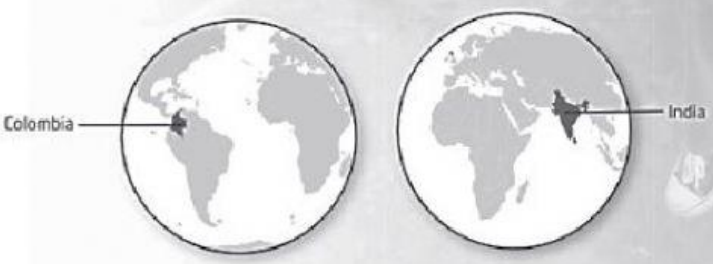

NAME: _____ **DATE:** _____

Going to School Is Cool

Many children take a school bus to school, but some children in India ride a special school boat! The children live on boats, but they go to school on land. They take the school boat in the morning.

Some children who live in the mountains of Colombia take a zip line to get to school. The zip line is long. The children aren't scared to take the zip line. It's fun!

Fish don't go to school, but a group of fish is called a school!

2 Read and write.

school boat zip line
